

Hotlinking content is bad internet karma.

Shame on you, Fox News. Shame on you, Rush Limbaugh.

You have servers and advertisers. I pay this out of pocket. Get your own damn bandwidth.

For those of you who are seeing this message “in error”, please visit the –

[Original Post](#)

That post has an updated link to the report where it can be downloaded and read.

UPDATE – Fox News has now moved the site to their own server. Thanks.
